

SUFFOLK COUNTY

FIRE DISTRICT OFFICERS ASSOCIATION

October 2017

Dear Vendor,

I would like to start by thanking you for any support you may have given our member Districts in the past. Those Districts are part of the Suffolk County Fire District Officers Association and you may have many of them as current clients.

As a new year begins within the Districts, we usually have some changes in our leadership, District Officials, Chiefs, Legal Counsel's, etc. With that in mind we try to make an attempt to keep this information as up to date and useful as possible, through the printing of our annual journal.

In the past, some of you have also been most gracious and generous in helping support that goal by taking an Ad, as well as others may not even know this journal exists. In addition to us having the opportunity to learn about new vendors, this journal may also be a useful tool for vendors to learn about the changes Districts may have made or contacts for new business.

Enclosed please find a form that I would ask for you to complete if you are interested in taking an Ad and supporting the Suffolk County Fire District Officers Association.

All forms and ads should be returned no later than Nov. 27th, 2017 with all paperwork and payments to

SCFDOA
C/o Eugene Petricevich
82 Corbin Ave
Shirley, NY 11967

If you would like to submit your ad electronically, please feel free to send them directly to firetrain@optonline.net and follow up with the payment to the above address.

Thank you in advance for your continued support and for addressing this request as soon as possible. We would like to have the journal completed and distributed at our annual installation dinner, which is March 3rd, 2018 at Villa Lombard's.

For 2018 there is a new application that will give you options to save some money by purchasing a combo package vs. an individual package. Please look it over and select your choice.

Very truly yours,

Eugene Petricevich
